

Recycle your old currency

You can raise funds for Georgie's Fund by collecting up all your old foreign currency, and sending it to Coin Co who will convert it into UK currency for us.

They will take all currency, whether it is currently in circulation or out of date, notes or coins and they will collect it from you free of charge! Search in the back of your drawers or down the back of your sofa and ask all your friends to do the same, then when you have a beer mug full just call Coin Co International on: 01444-253777 or email: info@coincopl.com to arrange collection.
