Fundraising Sponsorship

I am taking part in this sponsored event to raise money for Georgie's Fund a charity raising funds for research into a rare and aggressive childhood cancer called Neuroblastoma. Between 80-100 children are diagnosed in the UK each year with Neuroblastoma. Once diagnosed only 1 in 5 survive. For more information visit www.georgies-fund.com

* If you pay tax in the UK, supply your HOME address and postcode (work address or c/o is no good) tick the Gift Aid box and we can make your sponsorship worth 28% more by reclaiming the tax! Your address will NOT be used by us or anyone else it is purely so that we can reclaim the tax. Without it we can't and the tax man will keep the money!
